Fall 2025

Fall 2025 Introductions

Fall 2025 ushers in a season of quiet sophistication and tactile elegance. With bold embroideries, sculptural textures and artful prints, the collection reimagines classic designs and offers something fresh and dynamic. Each piece is meticulously crafted to offer a sense of warmth and celebrate beauty not just in form, but in feel.

In the bedroom, standout styles like Axel and Gabriel balance structure with softness, where geometric motifs lend graphic energy to crisp cotton, while Marcella offers a delicate touch through tonal floral embroidery. Palmyra's tropical vibrancy extends a mood of year-round escape, while silk pillowcases bring the most elevated care to a nighttime ritual. Additions to our lumbar pillow collection, from reversible print pairings to quilted matelassé and piqué designs, infuse the home with personality and polish.

As temperatures drop, layers take on additional meaning. Avalon and Costa Mesa blankets, with their nuanced weaves and enveloping weight, provide comfort on cool nights and quiet afternoons. And new sleepwear silhouettes, including a reimagined sleep shirt, embody a feeling of understated ease.

Our collections throughout the rest of the home echo this sensory-driven ethos. For the table, thoughtful layering pieces like our reversible quilted placemats tell unique design stories, while tablecloths, including Regine and Baudin Butterfly, add graphic flair. Guest towels like Aziza, Mirasol and Lowell turn everyday gestures into something exceptional. And in the bathroom, the Regine towel's zebra jacquard and the Giza Makeup Towel bring both beauty and functionality to the forefront.

Matouk Fall 2025 is a celebration of depth and design. Through texture, touch and detail, we invite you to live artfully every day.
