

MATOUK

2024

Bath, Robes & Sleepwear,
Beach, and Table

For almost 100 years and three generations of family ownership, Matouk has crafted the world's finest bed, bath and table linens.

In 1929, John Matouk arrived in the United States from Damascus, Syria, seeking to import the most beautiful, highest-quality linens from around the world for U.S. consumers. A true merchant, he had worked at one of the finest embroidery houses in the world – Olga Asta, located in Venice's St. Mark's Square – and he brought with him the extensive marketplace and product knowledge he'd gained there. His wife, Maude Matouk, was a pioneering entrepreneur for her time, having started her own business selling housewares to Middle Eastern immigrants settling in the United States. Her knack for cultivating relationships, managing people, and textile manufacturing further enriched the foundation of Matouk.

Today, the Matouk name stands for more than a business; it represents three generations of our family realizing a dream. It also stands for our larger family – the craftspeople in our factories, our inspiring designers, our partner suppliers around the world – who are committed to carrying out an authentic and extraordinary tradition.

We define ourselves by our connection to family, our commitment to craft, our optimistic outlook, and our willingness to grow and innovate as new ways of working become available.

As a trusted partner, Matouk takes pride in keeping our commitments to you:

We promise excellence. Everything we produce will meet the highest standards in quality and design. We will always select the best materials and utilize optimal production techniques. And every customer who buys a Matouk product will be valued, listened to, and given the best long-term experience possible.

We promise partnership, respect, and responsibility. We will continue to build relationships with suppliers, retailers, and customers through fairness, honesty, and trust. We will nurture the health and well-being of our employees. The safety of our communities and the health of our planet will hold the same value for us as the products we create.

We promise creativity and innovation. We welcome collaborative solutions to challenges large and small and we will share our best practices with all partners who seek to benefit from them. We embrace the evolution of our products, manufacturing process, and technology platforms to continually improve upon our heritage of quality, craftsmanship and service.

We wish you bright mornings, a lifetime of love, and a house full of memories. From our family to yours, welcome home.

Sustainability

At the core of our value system lies the clear and urgent commitment to leave the world in a better state than we found it.

We are building a sustainable future for Matouk with a focus on solar energy, recycling and waste reduction, partnership with like-minded companies throughout our supply chain, and social responsibility within our own communities.

Our renowned Fall River, Massachusetts factory is one of only three facilities in the USA to achieve **OEKO-TEX STeP** (Sustainable Textile Production) certification. And all of our fabrics are **OEKO-TEX Standard 100 certified**, meaning they are safe for you and the planet.

Philanthropy

We also believe in giving from the heart philanthropically so our resources can support the health of organizations and communities outside of the walls of Matouk.

Gnome Surf is a start-up nonprofit organization based in Fall River, Massachusetts, that uses surf therapy to improve the lives of children with cognitive, physical, and emotional challenges. Gnome Surf inspires our commitment to contribute to a world where acceptance, kindness and empowerment are the norm for children with special needs.

Established and endowed by Mindy and George Matouk in 2020 during the Coronavirus pandemic, the Matouk Company Fund provides our employees an opportunity to invest in their communities through charitable giving. The fund is managed in collaboration with SouthCoast Community Foundation and all gifts are directed by Matouk employees through our Committee for Charitable Giving.

This program reflects the company's mission, vision, and values through philanthropic action. Grants are focused on organizations helping vulnerable residents build the skills necessary to attain their educational and employment goals, as well as family literacy and early literacy programs and organizations helping residents who are experiencing homelessness and/or food instability.

Employees began awarding grants in August 2022. Organizations that have received support from the Matouk Company Fund include Steppingstone, Inc., Kennedy-Donovan Center, Inc., The Bridge – A Center for Hope and Healing, Veterans Association of Bristol County and Angels Anonymous.
